Your Energy Saving Agreement provides you with guaranteed appointments and other free and discounted services. This agreement is for 2 annual inspections of your Air Conditioning and Heating system. This allows for minor issues to be diagnosed and resolved before they can cause a problem during extreme weather, especially in Florida's summer heat. Periodic inspection of your system will ensure safe and reliable operation, help maintain the life of the system and keep energy costs manageable. AIR NATIONAL will perform these during normal working hours (Monday – Friday 8:00 a.m. – 5:00 p.m.)

We will also provide an emergency answering service that operates 24 hours a day. If other repairs are needed between regular visits, you will be billed at a rate less your "PREFERRED CUSTOMER" discount.

Second AC system can be added to this plan for half the cost of the first.
